Timetable of Inclusion Forums – January – April 2026

Tuesdays and Thursdays at 1.00-3.30pm (maximum of 5 pupils discussed each forum date)

- Twice weekly Inclusion Forums are held across the county. Schools come to talk about their concerns about a pupil(s).
- There will be a forum for each area of the county, ideally schools are asked to book onto their forum whenever possible as then the professionals attending are the ones that support their school moving forward.
- These forums are led by specialist practitioner's currently teaching and supporting pupils with very challenging behaviours at Oakfield and across all primary schools in the county, alongside representatives from the Local Authority.
- These forums are held via Teams.
- The schools participating in the forum will discuss their concerns. Schools leave with strategies to further trial or understand how to seek support from other professionals/agencies.
