Purpose of the policy

This policy confirms that Oakfield Short Stay School reserves the right to exercise discretion whether to allow food and drink in the examination room, and confirms:

- the correct procedures are followed regarding food and drink in the examination room
- appropriate arrangements are in place for the management of food and drink in the examination room

1. Food and drink in the examination room

- Food and drink is allowed in the examination room at the discretion of the head of centre (ICE 18.4)

To enable invigilators to check these items quickly and efficiently:

- food brought into the examination room by the candidate must be free of packaging and in a transparent container
- drink bottles must be transparent with all labels removed, which would include transparent, reusable plastic bottles (ICE 18.4)

The following arrangements are applied at Oakfield Short Stay School:

- Only drinks in a clear bottle will be permitted in the exam room
- Food is not allowed in the exam room unless the student has a medical need and the request has been pre-authorised by staff (e.g. diabetes). Food must be in a clear plastic (sandwich/freezer) bag.
